

For Our Guests: We're Glad You're Here!

- A Welcome and Information Center is located in the lobby if you have questions or need help. We would love to assist you.
- Excellent nursery and children's classes are available. We'd be glad to help you find the right room for your child.
- "Why the drums and contemporary music?" We believe true worship meaningfully expresses one's heart. For us, that results in the music you hear today. So we invite you to stand with us and sing along, or feel comfortable just sitting back and resting in the Lord's presence. If you prefer more traditional music, try the Classic Venue on Sundays at 8 AM in the Chapel.
- Cry rooms are located on each side of the main floor of the Worship Center, if needed.
- As our guest, please do not feel obligated to participate in the offering.

We hope you enjoy your visit with us and look forward to seeing you again soon. You can catch us online too!

CFC is committed to keeping you better informed on a daily basis by providing the latest updated information about our ministries, informative resources, and current events here at CFC. Visit us on the web for more information: www.OnlineCFC.com

Beautiful Feet Class ♦ Sundays at 10:45 AM ♦ Room 406

This Sunday, March 7 • The Prodigal God -- So what?? We've studied the parable and read the book. Come to the last session and we'll discuss God's reckless grace.

Next Sunday, March 14 • Come and hear our *college@CFC* community tell about what happens when over 15,000 young adults gather for a life-transforming event, **URBANA '09** Global Missions Conference. You might be changed, too.

People Everywhere are Hungry for Something...

Hong Kong • A city of nearly seven million souls. A forest of skyscrapers wrapped in a blur of motion and light. Prosperity, poverty, the busyness of life.... But even here, there is emptiness, and hungry hearts are searching. Do they even know what for? God can use one voice to speak for Christ and change the world, one heart at a time. Maybe it is yours. Chinese students in Hong Kong and a rural village in mainland China need help practicing English with native speakers. Lend your voice and let the love of Christ shine out through you, **June 26th – July 10th. Application deadline is THIS SUNDAY, March 7!**

Kazakhstan • The arid steppes of Central Asia were once conquered by Mongols, ruled by the Russians, and controlled by the Soviet Union. Now the independent nation of Kazakhstan stretches from the Caspian Sea to China, covering about twice as much land as Alaska. It is home to 16 million people of diverse ethnic backgrounds, many of whom consider Islam part of their heritage and their religion by default. The Suinshi Fellowship in the City of Almaty is a Kazakh church begun by CFC missionaries. Join the team that will be aiding an ongoing outreach to students by helping them practice English and learn more about Christianity in a casual, conversational manner. **July 15th – 25th.** For more information, **come to Room 407 this Sunday, March 7, between the 9:15 and 10:45 services. Application deadline is NEXT Sunday, March 14!**
